

Is Orange County a Hot Bed of Bigotry?

By **MIKE WILDE**
Staff Writer

"We have an image here in Orange County of being the hot bed of bigotry. I think the image is distorted, but we aren't doing anything about correcting it."

This reaction came from David Collins, a member of a five-citizen panel active in civil rights work speaking at a conference on poverty, held June 8 on the University of California, Irvine campus.

In the conference's report, just issued this week, they gave the first comprehensive report on poverty in Orange County.

Collins, Chairman, Task Team on Social Environment, Committee on Environmental Planning and Land Use, Orange County Chamber of Commerce was speaking out on the housing situation in Orange County.

During the conference major poverty-related problems in welfare, education, employment and

housing were spelled out, and Orange County was placed in the perspective of the national urban crisis.

"The west side of this county has the potential of becoming a massive ghetto. All of the houses there, in ten or fifteen years, will be the same age as the houses in Watts when the Negroes arrived. Are we going to just let that happen? Or are we really going to do something about it?" Collins asked.

School Official Outlines Bond Needs To Kiwanis

By **Carl E. Venstrom**
Editor and Publisher

"The Need for the Passing of the San Joaquin School District's Bond Issue on September 17th" was the subject of a speech heard by the Kiwanis Club of Mission Viejo at its regular meeting last week.

Dr. William D. Stocks, assistant superintendent of schools for the elementary district, said "that children are learning more now than ever before."

"We hear a lot of things about the bad ones," said Stocks, "and very little about the good ones."

Stocks traced the rapid growth of the local school district and the need for additional funds.

The assistant superintendent said that the El Toro School District in 1960 had 30 pupils, and that the El Toro schools, alone, now have more than 3500 students scheduled for the coming year.

"It is this rapid growth," said Stocks, "that demands we have more monies to run our local schools."

In 1965-66 there were 66 teachers with 1800 pupils in three schools. In 1966-67 there were 106 teachers with 3300 pupils in five schools; in 1967-68 there

were 176 teachers with 4700 pupils in six schools and in 1968-69 there will be 215 teachers with 6300 pupils in eight schools.

"In June of 1968," said Stocks, "there were 341 eighth graders and 637 kindergarten students." This trend, said Stocks, show that the schools will be full for the coming years.

Stocks said that the district schools are financed on the State School Building Fund which means local bonds are presently to their five per cent capacity.

"The local voters," said Stocks, "voted by a 10 to 1 margin for \$5,000,000 in 1964 which enabled the district to build seven schools and purchase additional sites."

At the present time, said Stocks, there is need for an additional \$5,000,000 for future growth.

Saddleback Trustees Negotiate For Land

With the possibility of moving the interim campus to a permanent location next year, Saddleback College Board of Trustees has initiated negotiations for land near the interim campus in Mission Viejo.

The site, less than 211 acres under consideration, is east of the San Diego Freeway and takes in an abandoned air strip and level land. The property is south of proposed Marguerite Parkway in Mission Viejo.

1968 Season Opening

Tragedy and comedy are the individual themes of the two operas to be presented in English by the Lyric Opera Association this season.

On Sept. 27-28, the Lyric Opera Association, formerly known as the Festival of Opera, presents "La Boheme" by Puccini, and on Oct. 11-12, "The Marriage of Figaro" by Mozart.

All performances will be

held at The Irvine Bowl in Laguna Beach. Tickets are now on sale at The Irvine Bowl box office and also at all Automobile Clubs of Southern California, Wallich's Music City Stores,

and Liberty Ticket Agencies.

The Lyric Opera Association, a non-profit organization, has established membership categories.

EDITORIAL COMMENT:

San Joaquin Bonds Need 'YES' Vote

By CARL E. VENSTROM
Editor and Publisher

September 17th is another important date in the development of our area as a first class place to live in, and to raise a family.

Tuesday, September 17th, is the day we must go to the polls and vote "yes" on giving approval to the passing of the bonds for the San Joaquin School District.

It is imperative that these bonds are approved if we are to have adequate schools for our children.

The facts are crystal clear: in 1960 El Toro had 30 pupils; in a few days, more than 3,500 students will be attending the schools in El Toro alone.

In 1965-66 there were 66 teachers with 1800 pupils in three schools. In 1968-69 there will be 215 teachers with 6300 pupils in eight schools.

In 1964 the local voters, by a 10 to 1 margin, voted a bond issue for \$5,000,000. With the rapid increase of enrollment during the past four years it is now necessary to again give approval for school bonds for another \$5,000,000.

A San Joaquin School Bond Election Committee was recently established with Chuck Waltman, of El Toro, as its chairman. This group has planned an organized effort to inform the public on our local school's needs. Bob Arp, of El Toro, will make arrangements for any group that wishes to hear more facts on the issue from a member of the San Joaquin School District.

The Board of Trustees of the San Joaquin School District enjoys a good reputation in our community. They have worked hard since the passage of the last bond issue to see that our money has been spent wisely.

The Board has seen that new schools have been built and furnished, and staffed.

The school administration has worked hard to staff our schools with good administrators and teachers. Good teachers are the key to any successful, education program.

It appears to this newspaper that it is now our responsibility to these teachers, school administrators and to the Board that we give approval to the bond issue so the district can continue to grow, expand and provide a good educational environment for our children.

See you at the polls, come Tuesday, SEPTEMBER 17th.

FOOTNOTE:

Youth of America has, to a lesser degree, alienated itself from the adult community. Through often-outrageous conduct, it has called up a mirror for us to look into; a distorted mirror in most cases, but an image nonetheless appalling. NEWS-CHRONICLE, THOUSAND OAKS.

Letter To Editor:

Dear Mr. Venstrom,

May I sue your paper as a means of informing the general public that there is to be a San Joaquin School Bond Election on Sept. 17, 1968 for the sum of \$5,000,000.

This may seem like a lot of money, but it will buy a lot of school. By 1972, the San Joaquin School District will have to accommodate 13,430 pupils as opposed to the 6,300 it is accommodating this new school year.

A vote yes for this bond issue will provide at least eight new schools for our area and will keep our children learning in a good school atmosphere.

A vote yes for this issue will secure the continued

growth of our School District. It will enable us to take advantage and remain eligible for continued State School Building Aid which without we could not have the two new schools which will open their doors this September.

In 1963 and 1964 over 80 percent of the registered voters of the San Joaquin School District turned out to pass a combined total of \$5,000,000 to build schools. This time we would like to see it passed by an even greater majority.

Remember, your children will use these schools, so its up to you to remember to vote.

Sincerely,
Ruth Delvescovo
Publicity Chair.

San Joaquin School District Providing Child Enrollment Facts For Parents

Schools of the San Joaquin School District will be open for the 1968-69 school year on Tuesday, Sept. 10.

The District expects approximately 5800 youngsters to be enrolled in the eight schools. One year ago there were 4000 youngsters and six schools.

Of particular interest to parents is information about bus schedules, class starting times, and for kindergarten parents, a schedule of activities for the first day of school on Tuesday, Sept. 10.

The District has contracted with a new bus company, Community Charter Bus Service of Stanton. Bus schedules are being prepared and will be available at schools on Sept. 5 and 6. They will also be posted at strategic locations throughout the District. Generally, bus schedules and stops will remain very much the same, particularly for students in the District last year.

The 7th and 8th grade enrollment in the District will be divided between the Irvine School and the new La Paz Intermediate School in Mission Viejo.

Both the La Paz Intermediate School and the Linda Vista School are being rushed to completion by construction workers and will be ready for occupancy when school starts next week.

Pupils who attend the 7th and 8th grade schools will begin classes at 8 o'clock and will be dismissed at approximately 2:05 p.m. Pupils in grades 1 thru 3, who attend the Gates, Linda Vista, Olivewood and O'Neill Schools will begin classes at 9:15 a.m. and will be dismissed at 2:30 p.m. Pupils in the same schools who are in grades 4, 5, and 6 will begin classes at 8:30 a.m. and will be dismissed at 3 o'clock p.m.

All students at the El Toro Marine School will begin classes at 8 o'clock. The

primary classes will be dismissed at 1:15 p.m. and the 4th, 5th, and 6th grade will be dismissed at 2:30 p.m.

Students at the University Park School will begin classes at 9 o'clock.

Researcher Awarded Grant To Continue Age Study

(Editor's Note: This is the last in a three part series about physiological research being done at Leisure World to improve the health of the aged.)

Dr. DeVries started his research last January and plans to continue until at least next June. Financed by a federal grant from the Administration On Aging, a branch of the Department of Health, Education and Welfare, he hopes to obtain additional funds for continuation of research beyond that date. "We'd like to conduct a two-year program of testing elderly women in this same manner," he said.

The program is currently open to all men over the age of 50 who are willing to volunteer and bear the expense of obtaining a required physical examination before starting the program.

There is no cost to the individual while participating and each man receives approximately \$500 worth of laboratory testing, according to DeVries.

Dr. DeVries' assistants carry an impressive list of credentials. Mrs. Irene Lamberts, who furnishes the clerical assistance for the team, is a former pre-ned student and clinical lab assistant with a BA in chemistry and biology.

Gene Adams, 28, is a former high school physical education teacher with three years Peace Corps experience in Columbia, South America.

A part-time assistant, Larry Shennum, 30, is a physical education instructor and track coach at Mission Viejo High School.

Volunteering the benefit of over 50 years of physical education experience to the program is Dr. Hubert Brown, a Leisure World

Primary students will be dismissed at 2:15 p.m., grades 4, 5, and 6 will be dismissed at 3:30 p.m.

Elementary students who attend the Irvine School will begin classes at 8:30 a.m. Primary students will be

dismissed at 1:45 p.m. and grades 4, 5, and 6 at 2:30 p.m.

All kindergarten students of the District will observe the same schedule. Those in morning classes will begin at 8:40 a.m. and will be dismissed at 12 p.m. Afternoon classes will begin at 12 p.m. and conclude at 3:40 p.m.

For kindergarten students, a first day program has been developed to provide an opportunity for pupils, parents and teachers to become better acquainted. The parents of kindergarten pupils are to be notified by each school of the time they are to report for the first day. No bus transportation will be provided on Wednesday, Sept. 11.

Further details may be obtained by telephoning the schools in the District. The schools and their telephone numbers are: Irvine School, 544-1717, El Toro Marine School, 544-0260, Gates School, 837-2260, Olivewood School, 837-6682, Marguerite O'Neill School, 830-1280, Linda Vista School, 830-0970, La Paz Intermediate School, 830-1720.

Meet Your Neighbor Modern Vet Creates Hospital

By Carl E. Venstrom

One of the most modern animal hospitals in Southern California recently opened its doors here at 24271 El Toro Road, Laguna Hills.

The hospital is located directly across from the Leisure World Stables on El Toro Road on the way to the old Laguna Canyon Road.

The modern facility provides more than 5,000 square feet of enclosed hospital, including two surgery rooms with separate preparation areas.

"An unusual feature of the hospital," said Dr. Norm Fohrman, one of the partners, "is that there are three different air conditioning units so germs will not spread throughout the hospital."

Dr. Fohrman took this writer on a complete tour of the hospital and pointed out, with pride, such features as walls and floors that are especially plastic coated for cleanliness and the added feature that all rooms have sinks and drains for each room, which means more protection from the spreading of germs and disease.

The hospital also provides 24 hour attendance.

There is a yard available to the public for the use of exercising dogs and pets. This yard has already proven popular with residents of the nearby Leisure World. The yard is

also available to residents of the greater El Toro-Mission Viejo area.

Cats are separated from dogs and animals, on the mend, have exercise areas while they are confined to the hospital. Pets are also separated according to degree of illness and need for personal attention.

Dr. Fohrman lives with wife, Mickey, and four children at 26036 Portafino Drive, Mission Viejo. His children include Jerry, age 16; Jeanne, age 14; James, age 12; and Jeff, age 10.

Fohrman's partner is Dr. William Birdsall who lives in RRTorrance with his wife and three children.

Two other animal doctors associated with the hospital are Dr. Kent Wright who specializes in large animals and Dr. Dan Coombs who specializes in small animals.

Fohrman and Birdsall both specialize in surgery as well as in general care.

Fohrman is past chapter president of the Southern California Veterinary Assn. and is presently on the "Grievance Committee" for the organization.

He is also active in the City of Hope, in the local Temple Eilat and the Kiwanis Club of Mission Viejo.

Dr. Fohrman invites the public to stop by the hospital for a visit of the modern

hospital.

"MODERN, CLEAN AND EFFICIENT" are the key words describing the recently opened Animal Hospital on El Toro Road in Laguna Hills. Pictured above is Dr. Norm Fohrman at the hospital's entrance. "Developers usually establish their own policy on selling new houses, sometimes within and sometimes outside the present legislation, and discrimination is very subtle.

Senator Schmitz Names

Pedrotti Appointed District Secretary

"AND THIS, MY DEAR is the agenda for the next two weeks," says Senator John G. Schmitz to his recently appointed executive secretary Elizabeth Pedrotti of Leisure World, Laguna Hills. Miss Pedrotti officially joined the Senator's staff yesterday when she reported to work. RANCHO REPORTER PHOTO.

State Senator John G. Schmitz has announced the appointment of a Laguna Hills woman as his District Secretary.

She is Miss Elizabeth Pedrotti of 738-H Avenida Majorca - a resident of Leisure World.

First elected to the State Senate in 1964 to represent all of Orange County, Senator Schmitz was reelected in 1966 to represent the newly established 34th Senatorial District which embraces the greater part of this County.

Legislative procedures and functions of government are not new to his recently appointed secretary, for Miss Pedrotti was secretary to her late father, Senator Joseph L. Pedrotti of Los Angeles, who served in the California Legislature many years ago.

Further experience for her was gained when she managed the Information Centers in the Los Angeles City Hall before moving to Laguna Hills. There she

processed hundreds of informational items covering the functions of City, County, State, Federal and outside agencies. These were researched and processed in assisting her and her staff to direct and inform 1000 citizens per day who either visited or telephoned City Hall and contacted the Information Centers.

Miss Pedrotti intends to translate much of this type of information into the needs of Orange County residents in performing her duties for Senator Schmitz in his local offices at 520 East Fourth Street in Tustin. New residents who are unaware of the location of their Senate offices are invited to visit them or contact them by telephone at 838-3501.

She is very enthusiastic about working as an assistant to the Orange County legislator, for she feels that it is a distinct honor to be serving a representative who practices the principles of Americanism. Senator

Schmitz, she points out, taught anti-communism courses at the El Toro Marine Air Station from 1957 to 1963.

He is an instructor by profession, having taught philosophy, history and political science at Santa Ana College in 1960. He is also a Lieutenant Colonel in the United States Marine Corps Reserves.

In the State Senate, he is Chairman of the Committee on Local Government, and is a member of the following Committees: Education, Elections and Reapportionment, Military and Veterans Affairs, and the powerful Senate Finance Committee which approves all spending bills. He also is a member of the

California Delinquency Prevention Commission.

Senator Schmitz is married to the former Mary E. Suehr and they have six children: John, 13; Joseph, 12, Jerome, 9; Mary Kay, 6; Theresa Ann, 3; and Elizabeth Louise, one year.

In a special interview with the RANCHO REPORTER this week, Senator Schmitz said "he felt very lucky to have gained an assistant of the caliber of Miss Pedrotti."

South County YMCA Expects Big Growth

YMCA Vice President Sue Bright indicated today the South Orange County YMCA expects fifty or more youth groups to be formed by November 1.

Mrs. Bright said, "We expect to organize thirty-five YMCA Indian Guide groups, ten gray groups, and at least ten teen-age groups."

The "Y" started with eleven groups two years ago and has seen constant growth from the beginning.

YMCA Director Roger Carter reported the key leaders working on expansion in all geographical areas of South

Orange County include: Laguna Beach - Tom Frigone, Jack Knowlton, Mark Gumbiner, Gus Bunting, Gary Zimmerman, Brenda Austin, Meredith Amsden and Mary Fran Anderson.

In Aliso Valley, top leaders coordinating expansion include: Chuck Hughes, Leo Blook, Jane Vakoutis, Sharon Kifer, Ed Knipp, Bill Millan, Wayne Connally, and Jim Craig.

In the San Clemente area, Art Bond, Floyd Robinett, and David Dunham will be telling the YMCA story to young people.

ROVING REPORTER

'Why Did You Move Into This Area?'

(Editor's Note: This week's guest reporter is Perry Snell, resident of Mission Viejo.)

Mrs. Helen Whitmer (from Houston, Tex.)
24511 Chrisanta Drive,
Mission Viejo

"You wouldn't believe it. My son married a California girl. They had three little daughters — then his wife died suddenly. We originally came out here to talk my son into bringing the grandchildren back to Texas. Instead, we stayed on in Orange County ourselves."

Steve Brenneis (from Newport Beach)
4398 Satinwood Avenue,
Irvine

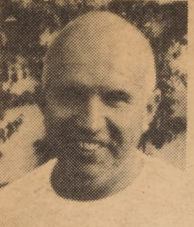

"My parents dragged me here from Newport. And come Sept. 18, I'm cutting out for Colorado State. This place (University Park) is like a teeny Leisure World — all they do is organize picnics. If you're over 14, it's dead. Newport Beach, however, swings."

Mrs. Frances McCarthy (from Florida)
24352 Twig Street,
El Toro

"My husband brought me out here. He's in the Marines and will be retiring in January. Then, eventually, he'll teach. I think this area is wonderful. It's rural subberbia. My youngsters can ride horses and built tree-houses out back. Yet it's modern."

Richard Buck (from Los Angeles)
4051 Germainer Way,
Irvine

"The weater sold us. There's a whole lot less smog and a nice afternoon breeze. This is like living 'way out in the country, within all the convenience of the city. And to amplify my point, I drive 45 miles into Los Angeles each day."

E. E. Walsh (from Chicago)
255-P Calle Aragon
Laguna Hills (L. W.)

"We got up in age. We had a home, and it got to the point where it was becoming too much work for us. So, we came here (to Leisure World) and bought a 'package' — a wonderful package — away from all obligation. I still don't understand how they do it, but we feel great."

Mrs. Ingrid Buechner (from Fullerton & Germany)
25152 Vespucci Road
Laguna Hills

"Primarily, we wanted to move out of the Smog. And we wanted an area that wasn't too crowded, not industrialized, yet. This area is built around the family unit. I love to see the hills. In fact, my husband might move his engineering firm down to San Juan Capistrano in a year or so."

Mrs. Donna Fournel (from Michigan)
24511 Penfield Street
El Toro

"Actually, we moved here quite by accident. We were looking for rentals in the newspaper and followed up this ad. We didn't even know where El Toro was. Oh, but we like the area and the schools so much — we are now looking to buy here."

Tom Wyckoff (from Sacramento)
26121 Deseo Avenue
Mission Viejo

"I was offered a good job opportunity down here, and there are only two areas we would live — Huntington Beach and here. Among our considerations were Smog, traffic, density. It's just so much cleaner out this way. The Young poeple take pride in their homes. And the price was terrific."

Lloyd Weaver (from Indiana)
18156 Leatherwood Ave.,
Irvine

"I'm a bachelor. It was simply a matter of home. Most houses are too large, and these town-houses suit me just fine. There's a minimum of yard maintenance, yet plenty of room to develop my model-building hobbies. Notice, too, the entire area is pretty well planned."

Ramblin' Rogues Dance At MV High

The Ramblin' Rogues Square Dance Club of Capistrano Valley has shifted its base of operation from San Juan Capistrano Elementary School to Mission Viejo High School.

The first event at the new location was held Saturday, August 24, a Luau Dance for which members and guests wore Hawaiian garb. The club will dance on the fourth Saturday of each month at the High School.

Commencing on September 11, and continuing for 24 weeks, The Ramblin' Rogues will sponsor a beginners class for all in the area who would like to learn.

Instructor will be Ernie Nation, who is the club caller. A nominal fee of 75 cents per person will be charged to help defray the costs.

Square dancing is a healthy hobby, which is shared by untold thousands in Southern California.

New Center Needs Name

Your Rancho Reporter newspaper has been interested in finding an adequate name for the new shopping center in Mission Viejo, at the corners of Muirlands and La Paz Roads.

It is hard to pick a name when the majority of the lessees have not moved in as yet, but it is also a strain on the merchants who are already in the center. It makes it difficult to tell people where, for instance, the La Paz Real Estate offices are located when one person calls the new center "Safeway Center," and the next person knows it by the "Rancho Center," or they refer to it as the "new center" in Mission Viejo. It

sounds as though there might be three different centers people are talking about.

At this writing the Rancho Reporter wants to submit a few names for consideration and present them to the merchants of the center, in hopes they will give their center a name in the near future.

In order for the local residents to become involved we here at the newspaper office would like to receive phone calls from those who either like or dislike the names we submit. The new names are as follows: RANCHO CENTER, RANCHO MESA, SADDLEBACK CENTER, or SAFEWAY

CENTER.

Those of you who call in will merely state which name you prefer and, we in turn, will relay your choice

to the merchants. Or if you have any other suggestions for an appropriate name, call our office at 837-6501 or 837-6500.

Joaquin Bond Group Elect Officers

The recently created San Joaquin School Bond Committee held its first meeting last week where officers were elected and purpose of the committee, defined.

According to Ruth Delvescovo, publicity chairman for the organization and a Mission Viejo resident, the prime purpose of this Committee is to get out the vote to pass the \$5,000,000 bond issue for the San Joaquin School District. Date of the election is September 17th.

In order to accomplish its task the committee, with the aid of volunteer workers, will provide the public with the facts concerning the need for the election.

Chuck Waltman of El Toro was elected Chairman of the Committee. Other members present included Mrs. Donna Berry, representing Mission Viejo (837-8887); Mrs. Ruth Delvescovo, representing Aegean Hills in Mission Viejo (830-1663), Mr. and Mrs. Marv Mayer, representing University Park (833-0045); Fred

Waltevrent, representing Capistrano Highlands (837-8257). Col. Jack League, representing MCAS in El Toro (838-1649); Bob Arp of El Toro (837-0276); and Bill Millan of El Toro (837-0785).

Herman Griffin representing Leisure World, (837-5111).

Each member of the committee was given a specific task to accomplish as well as the responsibility of informing their particular area.

The committee needs workers for large as well as small tasks. Interested parties are requested to call their area representatives.

Any organization or group wishing a speaker on the subject may contact Bob Arp and he will arrange for a member of the San Joaquin School District to come out and present facts and answer questions.

Saddleback Gridders Report

Gauchos Slate Public Scrimmage Sept. 7

Eager to see his football team prospects, Saddleback College's Head Football Coach George Hartman is anxiously awaiting September 1.

On this date his list of pre-registered athletes reported to the Marine Corps Air Station at El Toro, and the next day donned football workout gear.

Some 70 athletes all living at the base for two weeks, working out twice daily and studying the finer points of gridiron play.

It is the first football team for the Saddleback Gauchos set to play a four-year college freshman-junior college schedule of nine games.

The Gauchos reported for physical examinations at 9 a.m. August 31 at the administration offices of the college in Mission Viejo. Equipment was assigned at that time.

"All positions are open. Assignments on the team will be won on the practice field, not from past play."

Coach Hartman encourages all prospective athletes to sign up. Students interested in playing football may contact the coach at the college office.

Assisting Hartman with the coaching assignment

will be Jay Roelen and Doug Fritz. Trainer is Bill Otta.

The public will have an opportunity to view the Southland's newest football squad in a scrimmage at 1 p.m. September 7 against Mt. San Jacinto College. The scrimmage will be staged at Mission Viejo High School stadium.

A second scrimmage, a tri-team contest, closing the two-week Marine Base workout, will be at 5 p.m. September 14 against Moorepark Junior College of Ventura, along with Mt. San Jacinto College, also at Mission Viejo High.

Saddleback Sets Grid Ticket Sale

General admission football tickets for Saddleback College's eight home games this fall have been set at \$1.50.

Reserved seat season tickets will be available at \$14. A discount for general admission season tickets will be \$10.

Servicement in uniform or with I.D. cards may purchase tickets at \$1. Junior and senior high school students with Student Body Cards will be charged 75 cents. Cost for children under 12 years old will be 50 cents.

Young Tijuana Golfers Win Viejo Amateur

A pair of young Tijuana (Mex.) golfers captured first and second places in the first annual Mission Viejo Amateur golf tournament played over the rugged Mission Viejo Golf Club par-72 course Sat. and Sun., Aug. 24 and 25.

Victor Regalado sunk a three-foot putt on the 18th hole Sunday to card a 144 to beat by one stroke Ernesto Perez. Regalado, 20, and Perez, 22, both play out of Tijuana (Mex.) Country Club. Regalado carded a 35-41 Sunday for 76.

The day before he set the official Mission Viejo Golf Club course record with a four-under-par 68. Sunday he birdied holes 1 (a rugged five par), 7 and 9; bogeyed 13; and double bogeyed 3, 10 and 16, but managed to hold on to beat Perez, 1968 Mexico + international champion, by one stroke.

Second-day scores were higher, with few exceptions, as tee and pin placements were made somewhat more difficult. Gene Andrews had the low gross Sunday with a 71.

Everythings Coming Up Ivy?

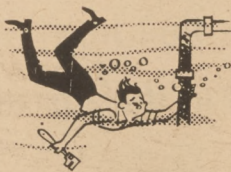

BEAUTIFICATION WEEK? — Over the past few months the RANCHO REPORTER has been conducting a remodeling campaign. A special group called "Friends of the Rancho" have helped on weekends to improve the newspaper plant building by remodeling the front and re-decorating the interior editorial offices. Mike Wilde, RR ad art editor, shows his special skill of growing ivy in a matter of minutes. There won't be any worry about watering it, but it could melt. All the interested residents in the RANCHO REPORTER area are cordially invited to stop in and have a tour and take the opportunity to learn more about your community newspaper and the job it is trying to do for you. The offices are opened Monday thru Friday, 9 a.m. to 5 p.m.

THE FIRST BOARD — The Irvine Company's new University Park Shopping Center in Irvine, Calif., has elected its first Merchants' Association board of directors. Voted in (left to right front row) were President Ted Klovnick, manager of the Alpha Beta Acme Market at the shopping complex; Vice President William Rowley, co-manager of Spigot Fine Wines and Spirits; and Secretary-Treasurer Joseph P. Munger, manager of the First Western Bank and Trust Co. Lew Goodfield (background) is The Irvine Company's manager of neighborhood shopping centers.

University Park Center Names First Directors

University Park Shopping Center in Irvine has named its first Merchants Association board of directors, according to Lew Goodfield, manager of neighborhood centers for The Irvine Company, developer and operator of the modern commercial complex. Formal opening of the new center is scheduled for Sept. 14.

The center is the sixth to be developed by the company. Others include Fashion Island, Eastbluff Village Center, Bayside Center, Westcliff Plaza and Irvine Town Center. All are located in the Newport Beach-Irvine area of Orange County.

Elected to the board were President Ted Klovnick, manager of the Alpha Beta Acme Market at University

Park; Vice President William Rowley, co-manager of Spigot Fine Wines and Spirits; and Secretary-Treasurer Joseph P. Munger, manager of the First Western Bank and Trust Co.

University Park is located on Culver Drive and Mathews Road directly across from 18-hole Rancho San Joaquin public golf course. It is the site of nearly 800 residential units that have been constructed in the area to-date as a part of The Irvine Company master plan.

Rancho Bell Presented To Saddleback

A beautiful, early California ranch bell and an American flag were formally presented to Saddleback Board of Trustees Monday night, August 26.

Clay Mitchell, president of the Orange County Board of Education and South Laguna resident, presented

a bell that formerly rang out on the El Niguel Ranch.

Mrs. Geraldine Hunie of Laguna Beach presented a flag to be flown at the college's new interim campus.

Mitchell, and his wife, Helen, have also indicated their interest in the college library with a gift of two

collections. They recently gave a 12-volume set of books published by the Smithsonian Institution and a 25-volume set of the works of Alexander Dumas, which includes such well-known stories as "The Three Musketeers" and "Man in the Iron Mask."
